God is…Part 2

God is sermon series

God is Love

God is Light

Light speaks to God's character, rather than His appearance.

- God is good
- In Him there is no darkness **1 Jn 1:5**
- He is Holy **1 Sam 2:2**

In light of God being Light, let's turn to **Jn 14:5-7**

This takes place before, Jesus' death, he's comforting Disciples. He's explaining to them how he has to die and return to the Father…

Jesus says He is:

The Way **Jn 14:5-6**

- Jesus is the way to the Father; there is no other way.

The Truth –**Jn 14:7**

- Truth according the world doesn't even exist anymore.
- Not your truth, not my truth, he is THE Truth
- Jesus came as the embodiment of God's Reality

The Life **Jn 11:25-26**

- Because of the resurrection of Jesus, we can receive eternal life.

Take away:

Let's make this personal, Jesus came as the light of the world, so that we would no longer have to walk in darkness. He is the standard we ought to follow.
